

## Map: The Location of Justice

### About the data:

None of the information displayed on this map is privileged. The data was mostly compiled from public, online sources.

The addresses and uses of buildings owned and leased by the New York Police Department and the New York City Department of Corrections (including parking) were drawn from the annually published City Owned and Leased Properties dataset and the City Planning Facilities Database, both available here: <https://www1.nyc.gov/site/planning/data-maps/open-data.page>
